

CODING SHEET

accompanying the data reported on in the article “Between me and we: The importance of self-profit versus social justifiability for ethical decision making” by Klein, Thielmann, Hilbig, & Zettler

In the following, we provide information on the variables to be found in the dataset. Note that information on demographics of participants and informants is omitted for data protection reasons, but can be obtained from the first author upon request.

Variable	Description
CASE	Participant number
CH01-CH06	Participant’s response to whether two successes were obtained in the coin toss in the conditions 1-6 0 = No, the coin did not turn up target side in both tosses. 1 = Yes, the coin turned up target side in both tosses.
OR01-OR06	Order in which the conditions 1-6 were presented to the participant
TIME_SUM	Time needed for completion of the study in seconds
